Jenny Tasker   Doncaster		
Job title and where you work  Curriculum Leader for MFL, EFL and Deaf Communication at Doncaster College  Biography  Jenny started her career as a nurse but moved to education in the mid nineties. Jenny studied Spanish and Latin American Studies at Sheffield University and has also studied in Santander and Oviedo in Northern Spain. Jenny is kept busy with a curriculum area delivering ten foreign languages, English as a foreign language from level 2 and courses in deaf awareness and BSL. Currently, Jenny still has access to the 'front line' (classroom) and teaches Spanish to GCSE level.
